Subject: Re: Final call for Weekly
Date: 08/01/2011 04:51 PM

WEEKLY Jul 24 - 31

BALLOON FIESTA - began coordination with New Mexico state officials, EPA HQ, and EPA region on support of the 2011 Balloon Fiesta to be held in Albuquerque, NM, to be held Oct 1 - 9.

WESTBANK ASBESTOS SITE- began review of compiled documents for response to recent FOIA request.

NRF-NCP REALIGNMENT NATIONAL WORKGROUP - continued review of lesson learned documents and other relevant papers and forwarded comments and suggestions to the EPA point-of-contact in EPA HQ.

RAB VALLEY - completed review of "replacement" pages for the RP's Focused Feasibility Study and forwarded mine and ODEQ's comments and edits to the RP.

BIOWATCH - continued coordination activities with contractor, state/local officials, and EPA HQ. Attended the monthly meeting for the North Central Texas BAC. Spent day at the COOP Warehouse going over biowatch equipment and inventory.
